**UV STABILIZED SKYLIGHT  
& SIDELIGHT PANELS**

Resolite is a premier North America manufacturer of Fiberglass Reinforced Panels for exterior skylight and sidelight applications such as post frame buildings, pre-engineered metal buildings and greenhouses. Polyлит panels are available in a variety of popular profiles which makes it a perfect choice where natural lighting is preferred.

## EXCELLENT QUALITY

- Years of dependable performance
- Designed to fit most applications
- UV Stabilized Polyester Unsaturated Resin

## CHEMICAL RESISTANCE

- Mildew and stain resistant
- Corrosion resistant
- Minimum maintenance and never needs painting

## LOW COST INSTALLATION

- Easy to handle and install
- No special tools needed
- Wide range of available sizes and weights

## HIGHLY IMPACT RESISTANT

- Extremely high strength to weight ratio
- Tough surface that resists shattering, scratches and abrasions

## GENERAL INFORMATION

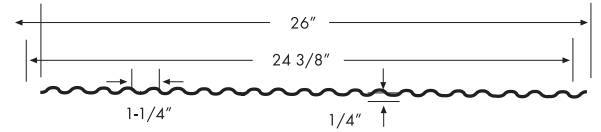

- Conforms to ASTM D-3841-97 (2008-2014) Standard Specifications for Glass Fiber Reinforced Polyester Plastic Panels

## STORAGE RECOMMENDATIONS

- Store panels indoors in a cool, dry, well ventilated area
- Panels should be stacked on skids not more than 250 sheets high
- Do not stack anything on top of panels

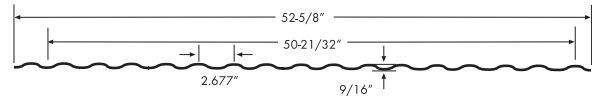

### 1-1/4"

Width: 26"  
Length: 24-3/8"

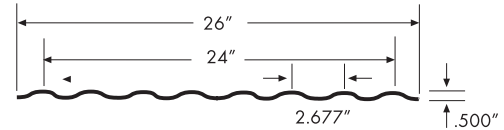

### 2-1/2" x 1/2" Wide

Width: 52-5/8", 51-1/2", 34", 26"  
Coverage: 50-21/32", 48", 32", 24"

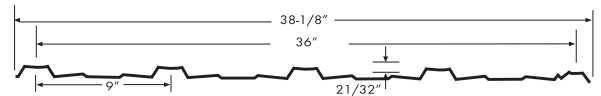

### 2-1/2" x 1/2" Narrow

Width: 26"  
Coverage: 24"

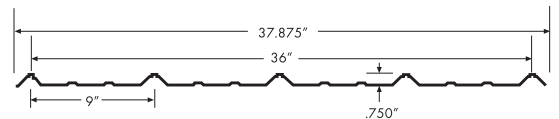

### 38" Granite City Strong

Width: 38-1/8"  
Coverage: 36"

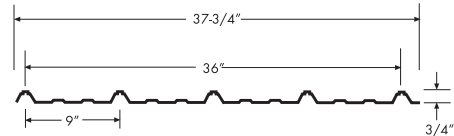

### KisRib

Width: 37-7/8"  
Coverage: 36"

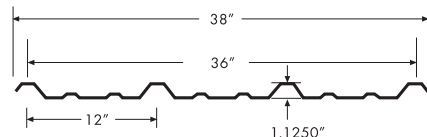

### New Grand Rib III

Width: 37-3/4"  
Length: 36"

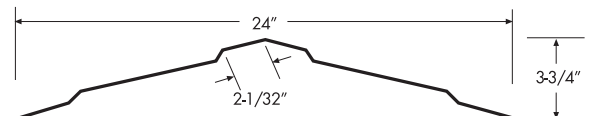

### R-Panel

Width: 38"  
Length: 36"

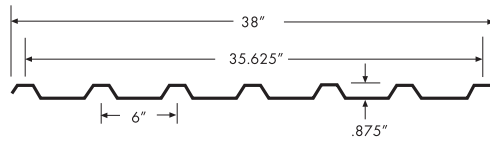

### Ridge Cap

Width: 24"

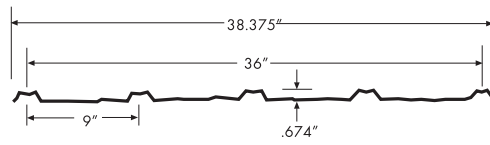

**U-Panel**

Width: 38"  
Coverage: 36"

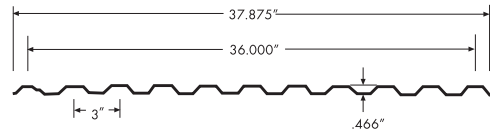

**Wheeling Channel Drain 2000**

Width: 38-3/8"  
Coverage: 36"

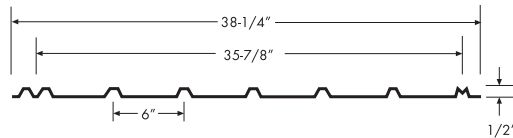

**Wheeling 38 Channel Drain**

Width: 38-1/4"  
Coverage: 35-7/8"

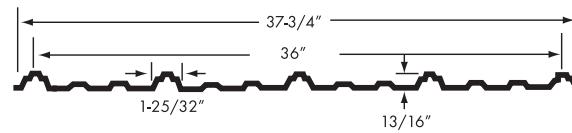

**Wheeling Channel Drain**

Width: 38-1/4"  
Coverage: 36"

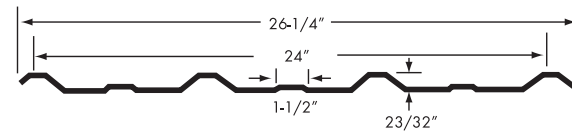

**Century Drain**

Width: 37-3/4"  
Coverage: 35-7/8"

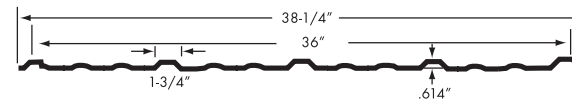

**Delta Rib**

Width: 26-1/4"  
Coverage: 24"

**Pro IIA**

Width: 38-1/4"  
Coverage: 36"

**Flat Rolls**

Width: 48"  
Length: 50' Rolls
